Three Principals in Elks' Carnival of Dance

WELL-KNOWN TULSA DANCERS Although the large brillets will be the pendomin of feature of the Carmival of Dances to be aligned at convertion half next Thornday might by the local lodge of Elics, the soin numbers will be consider interesting to Tubsus. In the above group are the Misses Here! Brief, and linda Nelson and Mr. M. L. Spitzer, who will present the Weitz Healthton. This is the very newest

luttle girls, this being follower by the tailing of the sun. As the sun enters with her eight rays triny fots of 5 years) darkness makes one final effort to reign and fries to fight off the sun, who slowly drives him at ay. As he leaves the scene of a tion new life is taken on the snow has melted. Flore dances for joy old occar slowly rises and joins in the festivities.

Then comes the dances of the four winds—north, south, case and west each represented by 12 sink there the dance of the north wind, the souds enter and cover the sun and all her rays but the minutesi one least—ning is seen in age-age across the stage, thunder is neard in the disc

starce and the mention of the distance and the inevitable table follows the girls in the rain-hop pater). But the proverbal "samebar follows the ghower" with even the gleams of the rainbow (17 gris) are the gleam of the rainbow (17 gris) are the gleam of the rainbow (17 gris) are the deal of Chamcey A. Evans of Collinaville, lost Sunday. Rogers ing in the mellow light-finishing with all the characters on the sace (150 children in all taking part).
